Nidan Essay

5th Kyu Haiku

Reach out, grab my wrist...
Just turn 'round the center like
Dancing it's easy

4th Kyu Haiku

Reach out, grab my wrist...
I have formed the circle yet
I leave you behind

3rd Kyu Haiku

Reach out, grab my wrist...
Still the wheel is not turning
Where is the center?

2nd Kyu Haiku

Reach out, grab my wrist...
You have my attention but
I do not have yours

1st Kyu Haiku

Reach out, grab my wrist...
It's neither muscle nor bone
We sojourn together

Shodan Haiku

Reach out, grab my wrist...
Sharing dreams I breathe to you
Be the moon to my earth

Nidan Haiku

Reach out, grab my wrist...
Intention transmutes when my
Spirit touches yours
